Saturday and Sunday – 25 and 26 February 2012

GUIDELINES - COMMERCIAL

Exhibitors are asked to observe the following guidelines for the 2012 Festival.

1. Completing a Site Application form does not guarantee your presence at the event. All applications will receive a decision within 4 weeks of submitting their form. No payments should be made before receipt of the committee decision and the deposit invoice.

2. During the 2011 Musselfest several vendors did not comply with electrical standards. In 2012 the non-complying vendors will not be connected to electricity until our electrician has solved the problem. The electrician's fee will have to be paid in cash before (re)connecting to power (e.g. tagging of extension leads at 10 dollar per lead).

3. The exhibitor will comply in all respects with all requirements of all Government, Local Authority and Statutory Bodies during the Festival.

4. Site allocations will be determined by the Musselfest Committee taking in account appropriate grouping of exhibitors, and power requirements. The allocation of sites by the Musselfest Committee will be final and in its absolute discretion.

5. Exhibitors' signage and promotional material should be of a professional standard and displayed and distributed from within their allotted site. Distributing flyers or any other form of promotional material elsewhere on the park is prohibited.

6. Non listed merchandise (as per application form) will not be accepted at the festival and sale prices must accord with the ones in the application form.

7. Exhibitors must be set up by 10.30am on Saturday and remain at the Park until 5.00pm on Sunday. All vehicles not integral to the exhibit must be removed from the park by no later than 10.00am on Saturday, 25 February 2012.

8. Security will be provided by the organisers overnight, on the Saturday evening, but it is advisable that any portable items of value be removed by exhibitors to ensure maximum protection of equipment. The organisers cannot accept any responsibility for items lost or damaged.

9. It is the responsibility of each exhibitor to ensure they hold the appropriate insurances to cover themselves, their staff and their goods on the day and under no circumstances will the Mussel Fest Rockingham be held liable for any harm, loss or damage suffered. Mussel Fest Rockingham specifically disclaim any responsibility for any harm, loss or damage that may occur to exhibitors' goods, staff or displays.

10. Refunds relating to the cancellation of any sites will be as follows:

More than 12 weeks prior to the Festival	100% refund
Between 4 & 12 weeks prior to the Festival	50% refund
Less than 4 weeks prior to the festival	No refund

The MusselFest Committee may terminate the exhibitor's participation forthwith where the exhibitor breaches the terms and conditions of this agreement and may require the exhibitor to remove its products and services immediately.

All determinations made by the Mussel Fest Committee will be final and binding
